Dear Friends,

Thank you so much for caring enough to spend your time and resources in helping our children have a wonderful Easter. Each child was so surprised to receive their very own beautiful Easter basket filled with lots of candies and love.

Your contribution is a real blessing to our homeless children because so many need to experience the compassionate care of others. Your gift will help provide hours of joy, helping them take the first steps toward a new life of hope and self-reliance.

Here at the Orlando Union Rescue Mission, our purpose is to bring the hungry, hurting and homeless to new life, new goals and a new future in Christ.

You have offered a truly wonderful gift – a gift with the potential to change lives forever! I pray that God will richly bless you in return.

Thank you and God bless you!

Sincerely,

Don Moody
Executive Director
